

**Table of Contents****Seasonality**

The Company's business is not generally subject to seasonality. However, coin generation from the Company's mining operations may vary depending on the Company's total hash rate at a given point in time relative to the total hash rate of the Bitcoin network.

**Our Employees**

All aspects of our business require specialized knowledge and technical skill. Such knowledge and skills include the areas of blockchain technology, research and development, digital currency assets, digital currency market, digital asset operations, human resource management, data privacy, as well as legal compliance, finance and accounting. We believe that we have adequate personnel and resources with the specialized skills required to carry out our operations successfully. As of September 30, 2021, we had 118 full-time employees. All of these employees are located in the United States. None of our employees are represented by a labor union or covered by collective bargaining agreements, and we have not experienced any work stoppages. We believe our relationship with our employees is good.

**Corporate Information**

Our principal executive office is located at 106 East 6th Street, Suite 900-145, Austin, Texas 78701, which is where our records are kept and the principal business address for our executive officers. Our telephone number is (425) 998-5300.

Our predecessor incorporated in the State of Delaware on December 13, 2017 as Mineco Holdings, Inc. and on June 12, 2018 changed its name to Core Scientific, Inc. On August 17, 2020 we engaged in a holdco restructuring to facilitate a borrowing arrangement by us pursuant to which Core Scientific, Inc. was merged with and into a wholly owned subsidiary of us and became a wholly owned subsidiary of us and the stockholders of Core Scientific, Inc. became the shareholders of Core Scientific Holding Co. We currently operate under a holding company structure with Core Scientific Holding Co. as parent and Core Scientific, Inc. as its operating subsidiary.
